Dear Miller Parents:

The school year has passed by quickly. It was a wonderful year with implementing the Leader in Me program incentives, concerts, academic camps, PTO meetings and field trips. Thank you for all your time, effort, and support this school year. We have worked very hard to prepare your child for the next grade. It is essential that you take the time to read with your child EVERY day for a minimum of 15 minutes to help maintain the skills gained this school year. Working on basic math skills, and writing about your adventures at least 3 times a week will also assist your child to be prepared for his/her next grade.

The first full day of school will be Tuesday, September 4, 2018.
