Jean Gilbert - Principal

Denise Newburn - Secretary

Welcome to fifth grade! We look forward to meeting your students this fall. In order to prepare for the back to school season, here are a few recommendations and requests along with a few tips about next year from the fifth grade teachers.

Over the summer, please encourage your children to continue to read for at least 20 minutes daily. Please be sure that students have memorized basic multiplication facts. Some fun and helpful websites include:

- Frontrowed.com (continued use of this adaptive practice site is encouraged. The class code needed will be the same as it was in 4th grade using the student's first and last name) Haugh: haughj Bedford: bedfo3 Hojo: HOJNOD
- Khanacademy.com
- epa.gov/students
- discoveryeducation.com/students
- phschool.com/curriculum_support/ss_skills_tutor/content/pop.html
- nasa.gov
- Mel.org
- Guysread.com

Students in fifth grade change classrooms for some academic subjects and will need to stay organized in a way that will prepare them for junior high. Coming to school prepared each day with completed assignments (expect homework), along with the items listed below will help your child have a successful year.

Supplies fifth graders will need in their desk:

- **4 colored folders** for the following subjects (You may want to buy extra folders in order to replace them throughout the year.)
 - Reading/Writing - red
 - Math - orange
 - Science - green
 - Social Studies - yellow
 - Homework folder- blue
- **Notebooks:** 2 large composition, and 2 single-subject wide-ruled spiral bound
- Plenty of pencils with a cloth pencil pouch-no boxes please
- At least one highlighter
- Small pencil sharpener
- Small box of colored pencils and/or small box of fine point markers
- Scissors
- One blue or black pen
- a large glue stick or two
- **buds or headphones to keep in their desk**
- **Dry erase markers (fine-point)**

If all parents can donate **at least one individually wrapped packaged snack and a box of juice boxes**, we will have enough to use at reading and writing celebrations throughout the year.

Supplies we will need in our classrooms:

- Clorox wipes
- Large Glue sticks
- Dry erase markers (any size)
- Extra colored folders or notebooks
- Tissues
- Magnetic tape
- tape

We look forward to meeting you on the first day of school, Tuesday, September 4, 2018. Have a safe and healthy summer!
