WELCOME TO MILLER CLASS OF 2033!

Dear Families:

To help the transition into Kindergarten run as smoothly as possible, parents and their Kindergarten students are asked to come to Miller Elementary for a short meeting on **Monday, August 31st** and **Tuesday, September 1st**. During this time, students will meet their new teachers and be given several short academic tasks to help their teacher better prepare for their academic needs. Parents will attend a short meeting with their child's teacher in which important information for the upcoming school year will be given. Any questions parents may have pertaining to their child's classroom will be answered during this time. *Kindergarten students will not begin school on Monday, August 31st when the other students in the district start. Kindergartners will have their first full day on Wednesday, September 2nd.*

In August, we will mail you a letter with your child's assigned classroom teacher. Upon receiving this letter go to the link provided and sign up for a Meet & Greet appointment with the assigned teacher for either Monday, August 31st or Tuesday, September 1st.

We look forward to meeting with all of you and answering any questions or concerns you may have at our parent meetings. Have safe, healthy and wonderful summer!

Sincerely,

Miller Elementary Kindergarten Teaching Staff
