Changes in End of the Day Parents Pick-Up Procedures

May 15, 2017

Thank you to all parents for being patient with our new pick up procedures. However, we are asking that if you pick your child up from school that you do not arrive before 3:30 p.m. due to gym classes and students being outside. For the safety of our students, staff and parents we do not want any cars in the back while students are outside.
